Tommy,
It has been a real pleasure
being in your Spanish class
this year. You are a very
nice kid and you have the
biggest feet I've ever seen.
They are always in the way.
Just kidding though. I hope
you have lots of luck forever
and ever.

A Friend Always,

Betty Wright —

P.S. See you at the Park dancing
with Lucille (or Piedmont one)

Thanks Tommy
For covering up for
my singing in Glee
Club. Best of Luck
to a swell guy.
your friend

Tom,

you are one of the best hell raisers I
know. Remember all the fun we had in
Hamby's study hall? Take it easy greasy
cause you got a long way to slide.

"Therefore when we build, let us think that we build forever. Let it not be for present delight, nor for present use alone, let it be such work as our descendants will thank us for, and let us think, as we lay stone on stone, that a time is to come when those stones will be held sacred because our hands have touched them, and that men will say as they look upon the labor and wrought substance of them, 'See! This our fathers did for us.' "

dedication

One of the most important factors in the building of a good school is that the students possess a feeling of love and loyalty for their school. This feeling, which is often called "school spirit," is fostered primarily by

athletics. In grateful appreciation for one who has contributed so much to the program of athletics and, thus, to the over-all morale and spirit of our school, we dedicate this, the 1957 CRUISER, to Coach Gerald Allen.

A close-up photograph of a dark, textured surface, possibly a book cover or endpaper. A prominent diagonal crease runs from the upper left towards the lower right. The surface has a mottled, aged appearance with some lighter and darker patches. There are some small, indistinct marks and fibers visible on the right side.

The Cruiser Staff wishes to express sincere appreciation to Mr. Paul Lemons, Mr. Hubert Carlisle, and Mr. Jack Ramsey for the help and co-operation they have so graciously given us.

Dearest Tommy,

I wouldn't ever be able to write what I would like to say to you, and how much you mean to me. Like I have said many times before, I truly believe a day was set aside for us to meet. Since our meeting each other, we have been drawn closer to each other and we have learned what love really is. I really don't think many people understand us, but since we know our own feelings, why should we worry?

When I first saw you at South Shelby School, I didn't think we would ever be as we are now, but I'm really happy.

Tommy, you are the sweetest boy I have ever met. I enjoy my every minute ~~with~~ with you ~~than~~ and really had rather be with you than anyone.

I realize we both have a whole life ahead of us, and I know to, that we will be happier if we travel through this world together.

Well, I guess you will be finishing school next year, and I wish I could be finishing with you. I don't believe that will change our feelings toward each other. I don't think anything could ever change how we feel about each other. One good thing about next year, I will be taking glee club with you.

I would like to say again, that you mean everything to me. May God pour his richest blessings upon you forever.

Loving you now and forever,
Brenda Philbeck
